PRESS RELEASE 3 TANDRAGEE 100 2017

20th February 2017

PLEA FOR SUPPORT FOR THE 57th AROUND A POUND TANDRAGEE 100

The North Armagh Motorcycle & Car Club Ltd is delighted to confirm that entries are coming in thick and fast for the 57th Around A Pound Tandragee 100 that will take place on **Friday 21st and Saturday 22nd April 2017**.

The Club have reluctantly taken the decision this year to increase the cost of the programme to £15 / €20. This decision has not been taken lightly but after considerable deliberation we feel we have no choice but to implement this increase.

Some of the reasons for the increase include the significant increase in costs of public liability insurance as well as increases in other vital areas such as first aid, logistics, etc which all contribute to the safety of competitors, officials and spectators alike.

Furthermore the cost of the programme has remained static since the early 1980's whilst the overall costs of the event have risen from around £40,000 to £80,000 in the last 35 years.

We appeal for everyone to support the Around A Pound Tandragee 100 by purchasing a programme as this is one of the main revenue streams for the event and/or make a donation in the bucket with the programme sellers.

Regulations and Entry Forms are available from the very active Facebook Group "Tandragee 100 Road Races", from the website www.tandragee100.co.uk or upon request via email to anne.forsythe@orange.net.

Entries close on Friday 10th March 2017.
