MAR-TRAIN BRING WILLIAM DUNLOP TO TANDRAGEE

The North Armagh Motorcycle & Car Club Ltd is delighted to promote the 58th **Around A Pound Tandragee 100** on **Friday 4th and Saturday 5th May 2018**.

We are delighted to announce that Tim Martin has confirmed he is bringing William Dunlop to this year's Tandragee 100 to compete on the Temple Golf Club / & Caffery International Yamaha. William will compete in the 600 Supersport and the two Superbike races.

After a year away from the sport Tim Martin's desire to win races has only intensified and he aims to prove just how good both Dunlop and the Mar-Train Yamaha actually are with International victories the absolute target. However, William enjoys Tandragee and the course offers not only a challenge for the competitor but a great opportunity to set up the bike for the internationals that lie ahead.
